

The county operates several locations near the lake that residents and visitors alike may use for trash disposal and recycling. In McHenry the site is located on Bumble Bee Road between the college and airport. Between Oakland and Thayerville there is a site just off US 219 on King's Run Road. Another site is located one mile south of Mtn. Lake Park on US 219. There are sites on US 40 east of Grantsville and MD 42 north of Friendsville that may be convenient for vacationers or second home owners traveling to their primary home.

Recycling is free. Property owners may purchase an annual vehicle trash disposal sticker permit for \$50. Visitors may purchase single use stickers at each collection site for 50 cents.

The county operates a landfill north of Oakland on Oakland-Sang Run Road. It is not open on weekends. Refer to the county website for more information:
